

Maple

Open Loft Upgrade Suite

3 BR | 2.5 Bath

Unlike any other EVE Park unit, the Maple's open loft floorplan extends the original open concept ground floor from the Sycamore all the way up to the second floor. The loft area makes for a perfect work-from-home office or additional den space, and the extra tall ceilings and large windows bring even more natural lighting into your home.

Ground Floor

Second Floor with Loft Upgrade

Third Floor

Area: 2229 ft² | Exterior: 212 ft²

Starting Price Structure

Sycamore - \$1,164,000
 Upgrade to Maple - **SOLD OUT**
